The Code of Federal Regulations is the codification of the general and permanent rules published in the Federal Register by the executive departments and agencies of the Federal Government.

This fifth edition reference on contract law by Murray (law, Duquesne U.) has been updated to reflect the changes in the ever evolving field. The author provides comprehensive treatments on a variety of related elements, including: the agreement and validation processes, the frauds statute, abuse of bargain and illegality, risk allocation, remedies for breach of contract, contract beneficiaries, assignment of rights and delegation of duties, and more. The book will interest students in related fields as well as contract law practitioners. Annotation ©2012 Book News, Inc., Portland, OR (booknews.com).

Special edition of the Federal Register, containing a codification of documents of general applicability and future effect ... with ancillaries.

The full texts of Armed Services and othr Boards of Contract Appeals decisions on contracts appeals.
