The Scarlet Letter: A Romance is a work of historical fiction by American author Nathaniel Hawthorne, published in 1850. Set in Puritan Massachusetts Bay Colony during the years 1642 to 1649, the novel tells the story of Hester Prynne who conceives a daughter through an affair and then struggles to create a new life of repentance and dignity. Containing a number of religious and historic allusions, the book explores themes of legalism, sin, and guilt. The Scarlet Letter was one of the first mass-produced books in America. It was popular when first published and is considered a classic work today. It inspired numerous film, television, and stage adaptations. Critics have described it as a masterwork and novelist D. H. Lawrence called it a "perfect work of the American imagination".

Paul Laurence Dunbar (June 27, 1872 - February 9, 1906) was an African-American poet, novelist, and playwright of the late 19th and early 20th centuries. Born in Dayton, Ohio, to parents who had been slaves in Kentucky before the American Civil War, Dunbar started to write as a child and was president of his high school's literary society. He published his first poems at the age of 16 in a Dayton newspaper. Much of his more popular work in his lifetime was written in the Negro dialect associated with the antebellum South. His work was praised by William Dean Howells, a leading critic associated with the Harper's Weekly, and Dunbar was one of the first African-American

writers to establish a national reputation. He wrote the lyrics for the musical comedy, *In Dahomey* (1903), the first all-African-American musical produced on Broadway; the musical also toured in the United States and the United Kingdom. Dunbar also wrote in conventional English in other poetry and novels; since the late 20th century, scholars have become more interested in these other works. Suffering from tuberculosis, Dunbar died at the age of 33. Dunbar's work is known for its colorful language and a conversational tone, with a brilliant rhetorical structure. These traits were well matched to the tune-writing ability of Carrie Jacobs-Bond (1862-1946), with whom he collaborated. Dunbar became the first African-American poet to earn national distinction and acceptance. The *New York Times* called him "a true singer of the people - white or black." Frederick Douglass once referred to Dunbar as, "one of the sweetest songsters his race has produced and a man of whom [he hoped] great things." His friend and writer James Weldon Johnson highly praised Dunbar, writing in *The Book of American Negro Poetry*: "Paul Laurence Dunbar stands out as the first poet from the Negro race in the United States to show a combined mastery over poetic material and poetic technique, to reveal innate literary distinction in what he wrote, and to maintain a high level of performance. He was the first to rise to a height from which he could take a perspective view of his own race. He was the first to see objectively its humor, its superstitions, its short-comings; the first to feel sympathetically its heart-wounds, its yearnings, its aspirations, and to voice them all in a purely literary form."

When this award-winning husband-and-wife team discovered that they each had sugar in their family history, they were inspired to trace the globe-spanning story of the sweet substance and to seek out the voices of those who led bitter sugar lives. The trail ran like a bright band from religious ceremonies in India to Europe's Middle Ages, then on to Columbus, who brought the first cane cuttings to the Americas. Sugar was the substance that drove the bloody slave trade and caused the loss of countless lives but it also planted the seeds of revolution that led to freedom in the American colonies, Haiti, and France. What to the Slave Is the Fourth of July? (1852) is a novella by Frederick Douglass.

Having escaped from slavery in the South at a young age, Frederick Douglass became a prominent orator and autobiographer who spearheaded the American abolitionist movement in the mid-nineteenth century. In this famous speech, published widely in pamphlet form after it was given to a meeting of the Rochester Ladies' Anti-Slavery Society on July 5th, 1852, Douglass exposes the hypocrisy of America's claim to Christian and democratic ideals in spite of its legacy of enslavement. Personal and political, Douglass' speech helped inspire the burgeoning abolitionist movement, which fought tirelessly for emancipation in the decades leading up to the American Civil War. "What have I, or those I represent, to do with your national independence? Are the great principles of political freedom and of natural justice, embodied in that Declaration of Independence, extended to us?...What, to the American slave, is your 4th of July? I answer; a day that reveals to him, more than all other days in the year, the gross injustice and cruelty to which he is the constant victim." Drawing upon his own experiences as an escaped slave, Douglass offers a critique of American independence from the perspective of those who had never been free within its borders. Hopeful and courageous, Douglass' voice remains an essential part of our history, reminding us time and again who we are, who we have been, and what we can be as a nation. While much of his radical message has been smoothed over through the passage of time, its revolutionary truth continues to resonate today. With a beautifully designed cover and professionally typeset manuscript, this edition of Frederick Douglass' *What to the Slave*
