Having recovered from her fever, Noriko is now ready to travel, but her trip is cut short by the powerful Hiroki. Confronted by Shogo, the two come to blows until Shuuya intervenes. Inviting Hiroki to join them, the young martial artist briefly considers it, but ultimately goes his own way, revealing that he's searching for Kyoichi Motobuchi. Making plans to rejoin the alliance as soon as he finds Kyoichi, Hiroki departs just as the alliance finds itself under attack. When it's discovered that the attacker is Kazuo, Shuuya agrees to distract him while Shogo and Noriko flee. It's a sacrifice that will cost him dearly. Shuuya survives, but just barely. Having caught several rounds from Kazuo's machine gun, it's only through the interference of Hiroki that Shuuya escapes with his life. Meanwhile, Shinji and Yutaka are on the verge of completing their plan to take out the school, when the bumbling Yutaka loses an integral piece of equipment. With his temper slowly rising, how will the frustrated Shinji react?

With Tae Min's help, Grey's squad reaches the top ten, but every game changes who will stay trapped in Fortnite Battle Royale and who will go home. There are only three days of battles left, and Grey isn't sure it's enough to secure top five for his whole squad. His rank is higher than his friends, and it starts to look like he'll get home like he wanted. But someone he cares about will have to stay, and Grey has to make a choice: give up his spot or leave his friends. Either choice will mean losing something, but Grey must decide if what's gained is worth more.

Grey has improved a ton with the help of his friends, and he's closing in on the top tier of players. But then his closest friend announces that he's been asked to join a new squad on the top tier and leaves them in hopes of making the top five with his new squad. Grey is devastated, and their play struggles. He falls back several ranks and begins to wonder if it's even possible to escape the game this season. Some players have been there for many seasons...some aren't even trying to leave because they like it so much. Maybe he should just accept it as his life. A former rival tells him to snap out of it—he's too good to slide back so far. They end up in a squad and do well enough to scale the ranks again. Grey has a chance to screw over his old Ally/Friend by taking his place on the Top Tier team, but will he?

Over 270 screenshots with expert instructions! The ultimate Fortnite strategy guide with the tips and tricks you need! The best Fortnite book for kids eight and up, this full-color, unofficial strategy guide is a comprehensive guide to Fortnite: Battle Royale. This Fortnite guide book focuses heavily on what to expect throughout the island. Important locations on the Fortnite island are referred to as points of interest. Regardless of your experience or skill level playing the Fortnite: Battle Royale game, or which gaming platform you're playing on, you'll discover how the terrain dramatically varies based on where you are on the map. In addition to learning essential information about each point of interest, in this Fortnite Battle Royale book, you'll learn: Proven tips and strategies for location-specific fighting How and where to collect weapons, ammo, items, and loot How and why you need to gather resources (wood, stone, and metal) How to build structures, ramps, bridges, and fortresses How to safely explore and travel between points of interest on the island How to safely navigate around based on the location of the deadly storm - which makes an ever-growing portion of the island uninhabitable as each battle progresses Fortnite Battle Royale Hacks: Secrets of the Island is the complete Fortnite Battle Royale cheat book that showcases each point of interest using text and screenshots, so you can become intimately familiar with the important locations you'll be visiting during the action-packed battles in the game. Fortnite Battle Royale Hacks: Secrets of the Island takes a geography-based approach to helping you become victorious, while also providing essential fighting, building, and exploring strategies that will prove extremely valuable during each battle. Because this Fortnite: Battle Royale tips book never offers the same play experience twice (since how the action unfolds depends heavily on the actions of the other 99 human players also on the island), this unofficial guide will teach you to adapt your offensive and defensive fighting strategies as needed to dramatically increase your chance of survival during each and every action-packed battle, regardless of where on the island a battle is taking place.

Twelve-year-old Grey has been sucked into a hacked, virtual reality version of Fortnite Battle Royale along with one hundred other players. To get home, he must become one of the top five players before the season ends, or he's stuck in Fortnite for another two months. Grey and his friend have gone up in ranks and are learning how to build structures to improve their tactics. While they're not at the top by any means, they are solidly in the middle of the pack. They aspire to be like the Top Player, who has been unbeatable for fifteen games in a row. No one knows how the Top Player does it, but everyone is chasing him. Before Grey can aspire to beat the Top Player, though, he has to get through the Rival players that are just above him. These players are threatened by him and his friend and hunt them down in every battle. Grey wants to beat them, but he can't figure out how. How can Grey survive long enough to beat the Top Player? And will he ever escape the Fortnite world?

Grey never expected his best friend, Finn, to end up trapped in Battle Royale as well, but now they both have to fight to get out. And there are only a few more weeks to do it. If Ben and Tristan hadn't left Grey's squad, he would have been a lot closer to the top five. But with the help of his new squad members, Grey is determined to climb back to the top. It won't be easy when Grey's old squad mates use his own tactics against him. He must use his creativity to find new ways to lead his squad back to the top twenty.

In addition to the Solo game play mode (which pits each gamer up against up to 99 others in a real-time battle), the Duos mode allows gamers to team up with one friend in a quest to defeat all other gamers during a match. Meanwhile, the Squads mode allows teams of four players to enter into a match and work together as they battle against up to 96 other gamers. The Duos and Squads game play modes are permanent features built into the game, and they've proven to be extremely popular, since Fortnite: Battle Royale is, for the most part, cross-platform compatible. Thus, someone experiencing the game on a PS4 can team up with a PC user, for example, to play against a random section of other gamers, in real-time. An Encyclopedia of Strategies for Fortnites: Duos and Squads Strategies will be the first book in this unofficial strategy guide series to offer in-depth coverage of Fortnite: Battle Royale's team-oriented game play modes. Thus, this unofficial strategy guide will be chock full of proven strategies and game play tips designed to help teams achieve victory in the Fortnite: Battle Royale matches they participate in. This expanded (approximately 176-page) guide will include a comprehensive overview of the Fortnite: Battle Royale game, with a special focus on the game's team-oriented game play modes. The full-color book will appeal to readers age 8 and up, regardless of which gaming platform they're using. Throughout each match, gamers must: Focus on survival Avoid the deadly storm Explore the island Gather resources Build structures and fortresses Find, collect, and utilize weapons and ammunition Acquire and use loot items Engage in combat against enemy soldiers with the goal of becoming the last person alive at the end of the match When experiencing any of the team-oriented game play modes, cooperative gameplay (teamwork) and communication with team members become vital. An Encyclopedia of Duos and Squads Strategies will soon be an indispensable resource for gamers experiencing the Duos or Squads game play modes (or any of the other team-oriented game play modes added to Fortnite: Battle Royale on a temporary basis). Fortnite: Battle Royale has taken the world by storm, combining the high-octane action of traditional shooters with the creative

construction elements of sandbox games like Minecraft. With 50 million players and counting, competition is fierce, and strategy is essential. Once you jump from the Battle Bus onto the island below, there can be only one goal: survival. The Big Book of Fortnite has all the tips and tricks you need to master the melee, whether you're playing on a console, PC, or your phone. Illustrated with dozens of full-color screenshots, find essential information on big-picture offensive and defensive tactics, best practices for building, and indispensable combat techniques. So fire up your PC, Mac, Xbox, PS4, Nintendo Switch, or iOS device, lock 'n' load and prepare to battle like the pros...in style! Twelve-year-old Grey gets sucked into a hacked, virtual reality version of Fortnite Battle Royale along with one hundred other players. To get home, he must become one of the top five players before the season ends, or he's stuck in Fortnite for another two months. Grey logs into Battle Royale as usual, but unlike before he passes out and wakes up in the lobby and everything is as real as can be. Four others stand there with him as an admin tells them they are the "new meat" and their game has been hacked. Their consciousness will be trapped in this version of Fortnite until they can become the top five players for a season. New to the fighting arena but ambitious, Grey sets out for glory with one hundred other players on a flying bus. As they jump and land on the island to battle, he struggles to figure out the tools as people come to kill him. He dies quickly, much to his disappointment. Maybe this won't be as easy as he thought. While waiting for the next game in the lobby, someone gives him some tips to help him out and he fares a bit better. They form a duo in hopes of both escaping the game together. Will Grey be able to escape, now that he has an ally?

Paul's a normal teenager: he likes sports, junk food, and action movies—he even wants to be in one someday. But what seems like Paul's big break, his very first acting role, quickly takes a turn for the worse. One minute he's on a festive bus heading for a new life of stardom, and the next, he's hurtling toward the ground and certain death. Though saved at the last minute by an unexplained parachute, things don't get any easier when Paul lands: he's lost on an unknown island, he's unable to speak, and every time he sees someone else, he hears strange noises and then blacks out . . . before falling from the sky again. But when a girl inexplicably saves him (and spray paints him) instead of attacking, Paul starts to learn the survival basics. Bit by bit, he must explore his surroundings, build structures, evade violent storms, unlock the mysteries of his strange island prison, and maybe—just maybe—find a way out.

On an island where everyone is a warrior, only the strong survive. The Impossibles, a squadron of inexperienced soldiers, have been recruited from across the globe, tasked with the directive to train, fight, and win the ultimate victory in Fortnite's Battle Royale. In this series of Fortnite novelizations, follow Zane, Jax, Asha, Jin, and Blaze as they seek out adventure, uncover mysteries, and battle to become the ultimate winners of the Battle Royale. The first book in this exciting new series, Battle Storm leaps into their first exciting adventure: No one had been down to the island in person since the storm first hit, but shortly after the air turned toxic, the army began using it as a virtual training ground, building squads and pitting them against each other to see who would rise up and who would fail miserably. Some came to explore. Others came for glory. But whatever their reasons, once they were on the battlefield, it was every squad for themselves. The Impossibles, the latest recruits, have everything to lose and even more to gain by moving up the ranks, but first they will need to come together as a squad and prove themselves on the battlefield. Do they have what it takes to be the next champions, or will they risk everything only to fail and lose it all?
