

## Four Psychos The Dark Side Book 1

Heart pounding and laugh out loud funny, USA Today Bestselling author K.F. Breene will take you on a magical joy ride you won't soon forget. Supernatural Bounty Hunter isn't the sort of thing you see on LinkedIn. But with a rare type of magic like mine, I don't have many options. Dangerous or not, the job is mine. And it was going fine, until an old as sin vampire stole my mark, and with it, my pay day. Knowing I'm poor and desperate, he has offered me a job. I'll have to work by his side to help solve a top secret case. Everyone knows not to trust vampires. Especially a hot elder vampire. But without any other jobs coming up, I'm stuck. As I uncover a web of lies and treachery, revealing an enemy I didn't know existed, the truth of my identity is threatened. I might make it out alive, only to end up in a gilded cage.

When a TV reporter is injured in a Dallas-bound jet crash, she enters a world of mistaken identity and political intrigue in this action-packed romantic suspense novel. The crash of a Dallas-bound jet isn't just a tragedy for TV reporter Avery Daniels; it's an act of fate that hands her a golden opportunity to further her career. But it also makes her the crucial player in a drama of violent passions and deadly desires. After plastic surgery transforms her face, Avery is mistaken for the glamorous, selfish wife of Tate Rutledge, the famous senatorial candidate and member of a powerful Texas dynasty. As she lays helpless in the hospital, Avery makes a shattering discovery: someone close to Tate planned to assassinate him. Now, to save him, she must live another woman's life -- and risk her own.

I may have reached my breaking point. As if trying to graduate from a school for supernaturals isn't stressful enough, my relationship status has gone from complicated to a straight-up dumpster fire. Oh, and the Bloodletter has decided to drop a bomb of epic proportions on us all... Then again, when has anything at Katmere Academy not been intense? And the hits just keep coming. Jaxon's turned colder than an Alaskan winter. The Circle is splintered over my upcoming coronation. As if things couldn't get worse, now there's an arrest warrant for Hudson's and my supposed crimes—which apparently means a lifetime prison sentence with a deadly unbreakable curse. Choices will have to be made...and I fear not everyone will survive. The Crave series is best enjoyed in order. Reading Order: Book #1 Crave Book #2 Crush Book #3 Covet Book #4 Court

Approximately 15% of chief executive officers are psychopathic, and many more have psychopathic traits. The Psychopathic CEO, An Executive Survival Guide was written for executives who are in a challenging work environment and suspect that their organizations are led by such a person. This book will help you to identify a potential psychopath in the corner office and to develop a survival strategy - for yourself and the company you lead. Jack McCullough is the president and founder of the CFO Leadership Council, a professional association for financial leaders. He has held many roles throughout his career, including entrepreneur, CEO, board member, author and public speaker, in addition to serving as financial executive for 26 different companies. His previous book, Secrets of Rockstar CFOs, was published in 2019. He holds an MBA from the MIT Sloan School of Management and lives in Massachusetts with his wife and two teenage sons. For this book, McCullough interviewed medical professionals, law enforcement agents, as well as investors and executives who were victims of a psychopathic leader. The Psychopathic CEO is a fascinating look at these remorseless manipulators and will help you and your company survive a psychopath in the corner office.

Based on the Book of Genesis, Dinah shares her perspective on religious practices and sexual politics.

They are idols to millions worldwide. I hear their names whispered in the hallways and blasted through the radio. Their faces are never far

from the television screen, tormenting me with images of what I gave up. To everyone else, they're unattainable rockstars, the music gods who make up The Sound of Us. But to me? They'll always be the boys I lost. I broke all our hearts when I refused to follow them to L.A., convinced I would only bring them down. Years later, after I've succumbed to a monster, and my life has become something out of a nightmare, they are back. I'm no longer the girl they left behind. But what if I've become the woman they can't forget?

"Compelling, essential reading for understanding the underpinnings of psychopathy." — M. E. Thomas, author of Confessions of a Sociopath For his first fifty-eight years, James Fallon was by all appearances a normal guy. A successful neuroscientist and professor, he'd been raised in a loving family, married his high school sweetheart, and had three kids and lots of friends. Then he learned a shocking truth that would not only disrupt his personal and professional life, but would lead him to question the very nature of his own identity. While researching serial killers, he uncovered a pattern in their brain scans that helped explain their cold and violent behavior. Astonishingly, his own scan matched that pattern. And a few months later he learned that he was descended from a long line of murderers. Fallon set out to reconcile the truth about his own brain with everything he knew as a scientist about the mind, behavior, and personality.

In The Do-Over, a teenage girl gets the chance to redo her past in this smart and charming YA novel by the author of When Life Gives You Demons, Jennifer Honeybourn. Emelia has always wanted to fit in with the A crowd. So, when Ben, the hottest guy in school, asks her out, she chooses him over Alistair, her best friend—even after he confesses his feelings to her. Six months later, Emilia wonders how her life would have been different if she'd chosen Alistair instead. Haunted by her mistake, she finds a magical solution that promises to rectify the past. As a result, everything in her life is different. Different, but not better. What happens if her second chance is her only chance to make things right?

Despite the fact it seemed like Base Masters was all over Sterling Shore, I'd never really known much about him, aside from random factoids. Things like...he's a semi-estranged cousin of one of my brother's friends, plays guitar in a local band, and he doesn't get mentioned much unless he's on stage.Until...he decided I was going to be his first real-life muse, moved himself into my spare room, and started splashing the walls with pictures of my face next to his lyrics...His weirdness differs from mine, but he'd be a perfect candidate for my hymen situation. Then I could finally move on to the next personal challenge on my list. The only problem is that he's yet another man afraid of a virgin.I genuinely never expected it to be so difficult to lose one's virginity. I think the world has filled me with false expectations of debauchery coming so easily.The human element always messes up the plans in my head.

A gripping thriller about a woman who must help cover the tracks of her serial killer sister -- only to discover her sibling isn't the only serial killer in town. Carrie wants a normal life. Carrie Lawrence doesn't need a happily ever after. She'll just settle for "after." After a decade of helping her sister hide her victims. After a lifetime of lies. She just wants to be safe, boring, and not trekking through the woods at night with a

dead body wrapped in a carpet. Becca wants to get away with murder. Becca Lawrence doesn't believe in happily ever after because she's already happy. She's gotten away with murder for a decade and has blackmailed her sister into helping her hide the evidence—what more could a girl want? But first they have to stop a serial killer. When thirteen bodies are discovered in their small town, people are shocked. But not as shocked as Carrie, who thought she knew all the details of Becca's sordid pastime. When Becca swears she's not behind the grisly new crimes, they realize the town has a second serial killer who has the sisters in his sights, and what he wants is . . . Carrie.

Um. Um. Um. Are you reading this? If you are, I need your help. I was at a party; I was running; I fell. And get this--this is the part you'll never believe--I fell down a rabbit hole. Like Alice in those old books. Except in those books, there wasn't blood everywhere. In those books, the characters weren't all male, attractive, and interested in me. Forget everything you know about the Mad Hatter, the White Rabbit, the March Hare ... This isn't Wonderland; this is Underland. Violence, sex, drugs, and magic ... that's all there is in this place. There's me, Allison, and there are the men that want me, the enemies that hunt me, and the darkness that's quickly rolling in. And only I can stop it. So if you're reading this, will you help me? Please. I just want to escape this place and go ... home. ALLISON'S ADVENTURES IN UNDERLAND (Book 1 of 3 in the "Harem of Hearts" series) -- is a full-length reverse harem/new adult/dark romance novel, a gritty retelling of "Alice's Adventures in Wonderland". Don't expect a children's tale; these characters are nothing like their more innocent counterparts. This book contains: drugs, cursing, violence, sex ... and love found in the darkest shadows.

Leading philosophers reconsider the philosophical destiny of education.

Though they carry an eternal curse, the Lords of the Underworld are irresistibly seductive—and unimaginably powerful... Don't miss a single book in this stunning paranormal series from New York Times bestselling author Gena Showalter! Possessed by the demon of Promiscuity, immortal warrior Paris is irresistibly seductive—but his potent allure comes at a terrible price. Every night he must bed someone new, or weaken and die. And the woman he craves above all others is the one woman he'd thought was forever beyond his reach...until now. Newly possessed by the demon of Wrath, Sienna Blackstone is racked by a ruthless need to punish those around her. Yet in Paris's arms, the vulnerable beauty finds soul-searing passion and incredible peace. Until a blood feud between ancient enemies heats up. Will the battle against gods, angels and creatures of the night bind them eternally—or tear them apart? Book 9 of Lords of the Underworld. Originally published in 2012.

In this hysterical follow-up to the New York Times bestseller *White Girl Problems*, Babe Walker travels the globe as she tries to figure out the answer to the question foremost on everyone's mind—including hers: Who is Babe Walker? If you're one of the hundreds of thousands who devoured Babe Walker's New York Times bestselling novel *White Girl Problems* or one of the million people who read her blog or follow her on Twitter daily, then you've obviously been waiting with bated breath for her hilarious follow-up novel, *Psychos*. Fresh from a four-month stint in rehab for her "alleged" shopping addiction, Babe Walker returns home to Bel Air ten pounds lighter (thanks to a stomach virus), having made amends (she told a counselor with bad skin she was smart) and confronted her past (after meeting her birth mother for the first time—a fashion model turned farmer lesbian). Although delighted to be home and determined to maintain her hard-won inner

peace, Babe now faces a host of outside forces seemingly intent on derailing her path to positive change. Not only is she being trailed by an anonymous stalker, but she's also reunited with the love of her life, a relationship that she cannot seem to stop self-sabotaging. Babe's newfound spirituality, coupled with her faith in the universe and its messages, leads her all over the world: shoulder dancing in Paris, tripping out in Amsterdam, and hooking up in the Mediterranean, only to land her back in New York City, forced to choose between a man who is perfect in every way (except for one small detail) and a man who could be The One if only he didn't drive Babe to utter insanity. Unapologetic and uproarious, Psychos is the send-up of the season—already as timeless as vintage Dior.

Book 3 & 4 together...Two KingdomsI'm getting a little tired of completing my goals, only to have the bar raised too substantially for me to transition at a productive pace...I started off as a sad little ghost with an impossible crush on four really hot, Gothic guys with some attitude problems. Now I'm The Apocalypse, they're the Four Horsemen, and Lucifer is my fucked up daddy. Now my additional goals look like this?Goal #9: Make a deal with the Devil without getting cheated, manipulated, or tricked.Goal #10: Make my boys love me and take over the world...okay...so maybe just that first part. That second part sounds like it could take too much ambition, and I just don't have the drive for that.Goal #11: Make cookies.Goal #12: Call dibs on my favorite color.Goal #13: Find out if my siblings or my father killed me and my boys...\*\*\*\* One ApocalypseThe life goals have stacked up since I started this journey as a sad, lonely little ghost. I'm not sure how things escalated so quickly from trying to be seen and heard, to bearing the weight of the world on my vain little shoulders.As a result, my goals have gotten a little more serious...Goal #14: Learn to take a hit without breaking or suffering some type of death.Goal #15: Decide once and for all if I'm going to save or destroy the world. I'm not sure why people put this sort of responsibility on hell-spawn like me.Goal #16: Practice my evil laugh, because all hell-spawn need a good evil laugh.Goal #17: Find and kill all the unicorns. Mwahahahaha.Goal #18: Live to enjoy forever with the guys I sacrificed all my memories to save.Goal #19: No matter what, they don't get to die. Or I really will be THE Apocalypse.We're the most screwed up collection of antiheroes the world has ever seen, because the only thing that makes me want to save the world is knowing I could lose my boys forever if I don't. ““We’re going to own you.” “We’re going to break you.” “When we’re through with you, you won’t remember life before you were ours.” That’s what they whisper as I pass their cells. Ha. Guess what bastardos? I’m Rosalie Oscura, champion underground cage-fighter and freaking Alpha Werewolf from the infamous Oscura Clan. My family wrote the book on criminal organisations and I’ll be ruling this place by the time the next moon rises. Papà always said my hot

head would land me in here one day. The supernatural prison they call Darkmore Penitentiary. Where they send the cruellest, most dangerous Fae in Solaria. Like me apparently. So maybe I deserve to be in prison, but do you want to know a secret? I planned to get sent to Darkmore Penitentiary. I've come to break out the most notorious criminal in Solaria. The trouble is, I need the help of the four Alpha males to get out of here. And they happen to hate each other almost as much as they hate me. But I always did love a challenge. How hard could it be to make them accept me as their leader?" -- Back cover.

It's all I've ever wanted. So, I did what anyone in my unique position would do. I slapped on a secret identity and became an internationally renowned thief, known as The Fox. Nobody knows me. Nobody can catch me. Or so I thought... It turns out; I have what they want. Special abilities. And trust me, these abilities are coveted--and dangerous. Now, I don't know who to trust or where to go. Peril lurks on every corner as I try to uncover my past and origin. Teaming up with unlikely allies may be my only chance at survival or my biggest mistake. Only time will tell. I'm Kit Davenport and this is only the beginning. \*\* Warning: This book is a Reverse Harem. It also contains violence, sex, bad-language and content which some readers may find triggering. \*\*

"Fresh, fast-paced and fiendishly clever! If you love watching true crime and wonder about the psychopaths among us, this is the book for you!" — Lisa Gardner, #1 New York Times bestselling author A Most Anticipated Novel of Fall 2021 by Newsweek, Goodreads, PopSugar, Crime Reads, SheReads, Crime by the Book, The Nerd Daily, and more! You should never trust a psychopath. But what if you had no choice? It would be easy to underestimate Chloe Sevre... She's a freshman honor student, a legging-wearing hot girl next door, who also happens to be a psychopath. She spends her time on yogalates, frat parties and plotting to kill Will Bachman, a childhood friend who grievously wronged her. Chloe is one of seven students at her DC-based college who are part of an unusual clinical study of psychopaths—students like herself who lack empathy and can't comprehend emotions like fear or guilt. The study, led by a renowned psychologist, requires them to wear smart watches that track their moods and movements. When one of the students in the study is found murdered in the psychology building, a dangerous game of cat and mouse begins, and Chloe goes from hunter to prey. As she races to identify the killer and put her own plan for revenge into action, she'll be forced to decide if she can trust any of her fellow psychopaths—and everybody knows you should never trust a psychopath.

Fifth Book in the New York Times Bestselling Indebted Series. "We'd won. We'd cut through the lies and treachery and promised an alliance that would free us both. But even as we won, we lost. What do a heartless Dragon Shifter, a cold-blooded Basilisk, an arrogant Lion Shifter and a brooding, tattooed Harpy have in common...? Me. Elise Callisto. Vampire. Angel of vengeance. And a girl on a mission to destroy one of them for murdering my brother. I just don't know which one did it yet. When I kicked the ass of a Werewolf who was high on a new and dangerous drug called Killblaze, his final words painted a dark reality for me. The King of Aurora Academy killed my brother. The trouble is, there's four kings at that school and each of them have motive and cutthroat natures. Aurora Academy isn't a place for the faint of heart. To put it lightly, my town is the asshole of Solaria where the dodgiest Fae in the kingdom reside. The school itself is divided by the two gangs who run this town. The Lunar Brotherhood and the Oscura Clan. And guess what? Two of the kings run the gangs at the school, their hatred for each other so fierce I hear a day doesn't go by without blood being spilled in the halls. I might be a petite, lilac-haired girl who looks like a fragile doll, but they haven't been introduced to my fangs yet. And they don't know why I'm really here. Or that I'll do whatever it takes to bring down the Fae who took my flesh and blood from me. I don't believe in fate, but I do know this... the King who killed my brother is a dead man walking. And I'm prepared to sacrifice my heart, body and soul to ensure I get my revenge. This is a reverse harem series set in the world of Zodiac Academy four years before the Vega Twins were Awakened. Expect some character cross-over, dark and hot romance, and a twisted murder mystery which will leave your head spinning.

A cult classic, adapted into a film starring Christian Bale. Is evil something you are? Or is it something you do? Patrick Bateman has it all: good looks, youth, charm, a job on Wall Street, reservations at every new restaurant in town and a line of girls around the block. He is also a psychopath. A man addicted to his superficial, perfect life, he pulls us into a dark underworld where the American Dream becomes a nightmare . . . With an introduction by Irvine Welsh, Bret Easton Ellis's *American Psycho* is one of the most controversial and talked-about novels of all time. A multi-million-copy

bestseller hailed as a modern classic, it is a violent black comedy about the darkest side of human nature.

This book collects the contribution of a selected number of clinical psychiatrists interested in the clinical evaluation of specific issues on psychopathy. The nine chapters of the book address some relevant issues related to nosography, early recognition and treatment, bio-psycho-social models (in particular cognitive-behavioral and ethological ones), and social and familial consequences of psychopathic personality.

I won. I, Loki, stole the magical ring right out from under Odin's and Thor's noses. Right before a little minx stole it from me. I outsmarted them all. I tricked my brother and father, and even my water-dragon son, sending them on a ridiculous chase while I slipped out the back door. I nearly got caught--twice--but in the end, I possessed the prize--the magical Andvaranaut, a god's ring that allows me to hide out on Earth as long as I wish. Then she came along. That little human thief took it right off me, in broad daylight, in the bustling markets of Nepal, without me feeling an Asgardian thing. I'm onto her now though, hot on her trail and closing in. I'll get that deliciously devilish girl if it's the last thing I do. Even if that means punishing her in ways both of us might enjoy. Perhaps especially if it means that, now that I've gotten a good look at the little minx. The more I learn about this Lia Winchester, professional thief, proficient liar, brilliant escape artist, and unbelievably sexy mortal, the more I find myself wanting to draw out this chase, to savor it... perhaps to even partner with her on a heist of our own. It's been a long time since anyone's managed to surprise me. I think it's only right that I return the favor. \* LOKI is book #2 in Gods on Earth, a fun paranormal romance and urban fantasy series, ideal for people who want a light romp to Asgard, mischievous gods falling for unwitting humans and battling over magical objects, not to mention dragons, magical wolves, grumpy witches, and a dose of wicked trickster games.

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

Ela Montahue is a talented sorceress with the ability to heal, but distressed over a complicated ancestral legacy. Long

ago, a mystical woman known as Boadicea, the famed queen of the Iceni tribe, issued a difficult decree. As her descendant, Ela must wed for love, not practicality, or she will forfeit her supernatural power. In medieval England this is not a socially acceptable order to follow. For her family's sake, she should marry Lord Thomas de Havel, a vile landholder with a cruel streak and a desire to see slavery reinstated—a man with good connections to King John's court. This arrangement would put the Montehues in a safe position in the new regime. The stakes are high—her dignity, her pride, and possibly her life in childbirth. When Ela refuses this repulsive marital transaction, Thomas de Havel abducts her and wages battle against her father in retaliation. Only Osbert Edyvean, a knight with the highest creed—honor, faith, and logic—can save her and preserve her gift. A businessman for the Earl of Norfolk, Osbert has been paid to find Boadicea's spear. Rather than bring back this obscure artifact, he rescues Ela, intending to take her to the earl and obtain his parcel of land. Wary of the supernatural aura surrounding this woman, the admirable knight fights his overwhelming passion for a beautiful lady he wants to protect . . . and love. This is Boadicea's true legacy. - See more at: <http://medallionmediagroup.com/books/boadiceas-legacy/#sthash.wNqL4FUL.dpuf>

I will never be controlled again. A manipulative dragon shifter. A sexy phaetyn prince. Me? I shouldn't even exist. With peace established in Verald, I should be free; Lord Tyrrik is liberated from his blood oath, after all. But the freedom in Verald is an illusion. If I remain, destruction will surely follow. As soon as I come into my powers, the blood-thirsty emperor of Draecon will know. Even now, he is hunting me. When a Phaetyn prince arrives promising safety, the solution seems perfect. A little too perfect. But is the objective of our group security or something more? Because everyone is

telling me what my goals should be. Who do you trust when everyone has lied to you? Should I listen with my head - or my heart? I might not get a choice.

Only a few are brave enough to fall . . . When Raini desperately needed help, she went to the one person who she knew could save her dying friend . . . her secretive and ruthlessly powerful anchor, Maddox. His price was that she grant him access to her life, yet he's still determined not to form the anchor bond with Raini. That rejection stings, even while she can't stop her body - or her demon - reacting to his presence. Maddox is a descendent, a rare breed of demon possessing angelic blood - and Raini knows he'll let someone close when hell freezes over. As a succubus, she's used to men wanting her uncontrollably - and used to having all the power. But while Maddox wants her strictly on his own terms, for the first time she can remember Raini's struggling to keep her own emotions in check. Yet when someone - or something - starts to target Raini, Maddox's protectiveness goes into overdrive. Suddenly he's finding it harder to keep his secrets and his distance, for nothing seems to matter as much as Raini. As the threat escalates into all-out war, they both have to decide: can they trust the other to catch them if they fall? When Roger, the alpha of the North American shifter pack, shows up at Reagan's door with the news that a demon has made it to the Underworld with knowledge of her, some hard decisions have to be made. Does she stay in hiding, with the help of her magical friends, or does she risk her life by seeking out the demon to end the threat?

What do you get when you have four mates, one psychotic prince, a horde of rebels, and a cupid who just got yanked out of the realm? A big freaking problem, that's what. I was supposed to take on my first real mission as a spy. I was supposed to go find my missing mate and discover who our real allies are for the war that's brewing in the fae realm. Instead, I'm thrown back to where I was first created. Cupidville. And, judging by the look I'm getting from the Head of all Cupidity, and the big Terminate button that he's holding, this problem is about to get much worse. The thing is, I'm more of a lover than a fighter, but when it has to do with staying with my mates, this cupid might just cut a bitch. I've waited my entire existence to find love, and now that I have it, I'm not going to give it up without a fight. Author's note: This is the third book of the Heart Hassle Series. This is a reverse harem story and includes sexually explicit scenes and mature language. Intended for ages

18 years and older.

Ending a war makes her a savior to some...but a target to others. Video-gamer Jolie Bernardo hadn't planned on ending a war when she moved to Jinla, but, fate stepped in and thrust her into the path of four sexy princes. Now her dream to make a name for herself in the video game community is threatened, as Others are out for her blood. When the four princes of Jinla inadvertently forge a bond with her, it draws and binds them to one another. Unfortunately for them, it now means abandoning their chances of pursuing females to focus on keeping her alive. But with a new battle on the horizon, Jolie will have to choose between her heart...and her life.

Bret Easton Ellis delivers a riveting, tour-de-force sequel to *Less Than Zero*, one of the most singular novels of the last thirty years. Returning to Los Angeles from New York, Clay, now a successful screenwriter, is casting his new movie. Soon he is running with his old circle of friends through L.A.'s seedy side. His ex-girlfriend, Blair, is married to Trent, a bisexual philanderer and influential manager. Then there's Julian, a recovering addict, and Rip, a former dealer. Then when Clay meets a gorgeous young actress who will stop at nothing to be in his movie, his own dark past begins to shine through, and he has no choice but to dive into the recesses of his character and come to terms with his proclivity for betrayal.

Arcadia was prepared to die alone, working boring temp jobs and eating cereal out of the box, until the time came that her heart finally gave out. But a chance meeting on the subway changes everything. Now she's shackled up with not one guy, but seven intriguing men who are as sexy as well...sin. But she'll soon discover that there is more to the guys than their attractive appearance. Their meeting was not as happenstance as she was led to believe. Arcadia will have to make a choice: boring safety or sexy adventure?

First two books together...Four Psychos! I'm not so different from most people. Like everyone else, I have life goals. Goal #1: Become a real girl instead of this invisible ghost thing I currently am. Goal #2: Convince the four men I've been haunting for the past five years to pick me to be their new toy after goal one is complete. Goal #3: Figure out who/what I am and why I can't remember anything past the five years I've been haunting this quad. Goal #4: Eat popcorn. See? Perfectly normal. Sort of. Gotta start small, after all. It's not like anyone else is perfect either. \*\*\*\*Three Trials So, I've checked off some life goals and added a few new ones to my list. Goal #5: Get out of hell's belly without letting my ungrateful charges die. Goal #6: Get a new name that's more badass. Goal #7: Stop wasting my breath on lectures and start annoying the quad hell squad every time they annoy me. Fight fire with fire. Ha! Another hell pun. Goal 8: Find out who the hell killed me. I'll add more. I don't want to overwhelm myself before I even finish checking off my old goals. But seriously, I really do need a more badass name, considering how much I have to keep saving my damsels in distress. I probably shouldn't call them damsels, since they're a little murderous and all. Maybe I should add seeing a hell-certified psychologist to my list of goals. **\*\*Sexual situations/content\*\*Reverse Harem\*\*Dark humor galore\*\*Language warning**

Willa Knight: Dweller. Slave. Non-magical being. In Minatsol, being a dweller means that you are literally no better than dirt. In fact, dirt might actually be more useful than Willa. Her life will be one of servitude to the sols, the magic-blessed beings who could one day be chosen to become gods. At least her outer village is far removed from the cities of the sols, and she won't ever be forced to present herself to them...

## Read PDF Four Psychos The Dark Side Book 1

Until one small mistake changes everything, and Willa is awarded a position to serve at Blesswood, the top sol academy in the world-a position that she definitely did not earn. Under the sudden, watchful eye of the gods, she will be tasked to serve the Abcurse brothers, five sols built of arrogance, perfection and power. They are almost gods themselves, and under their service she is either going to end up sentenced to death, or else they are going to ruin her so badly that she will wish for it. Either way, she is in trouble. This is a full novel, 90,000 words. Book 1 of 5 in the Curse of the Gods Series
