

Impara Il Giapponese Racconti Bilingui Giapponese E Italiano

This celebrated masterpiece is Oscar Wilde's only novel. A mesmerizing tale of horror and suspense, it has endured due to its artful prose and the philosophical questions it raises, as well as the scandal it caused upon its initial publication in 1890. Written in his distinctively dazzling manner and combining aspects of a Gothic horror novel and decadent French fiction, Wilde forges a devastating account of the effects of evil and depravity on a fashionable young man in late 19th century England who sells his soul in exchange for eternal youth and beauty. A concept that Wilde derived from the German legend of Faust, Gray is the subject of a portrait by painter Basil Hallward who deems his subject's beauty to be inconceivably great. Rather than having to age himself, an egotistical Dorian wishes for the painting to age instead of him so that he can retain his youthful good looks. Gray plunges into a life of vice and debauchery with its sole aim being pleasure. His body retains perfect youth and vigor while the portrait changes day by day into a ghastly chronicle of evil, documenting each of his sins with its appearance, which he must keep hidden from the world. This spellbinding novel tale that warns its readers of the dangers that come with narcissism, self-indulgence, and ignorance still ranks as one of Wilde's most important works. Of Gray's relationship to him, Wilde noted "Basil Hallward is what I think I am: Lord Henry what the world thinks me: Dorian what I would like to be—in other ages, perhaps." Buku anak-anak hasil adaptasi dari dongeng karya Hans Christian Andersen dalam dua bahasa, untuk 4-6 tahun keatas (b. Indonesia – b. Inggris) "Angsa-angsa Liar" oleh Hans Christian Andersen, bukan tanpa alasan, merupakan salah satu dongeng paling terkenal di dunia. Tanpa batasan waktu, dongeng ini membahas tema-tema di dalam drama kehidupan manusia: ketakutan, keberanian, cinta, pengkhianatan, perpisahan, dan pertemuan kembali. Edisi dengan ilustrasi ini adalah versi singkat dari dongeng karya Andersen. Edisi ini telah diterjemahkan ke dalam berbagai bahasa dan tersedia dalam berbagai kombinasi dua bahasa. Bilingual children's picture book (Indonesian – English) The Wild Swans' by Hans Christian Andersen is, with good reason, one of the world's most popular fairy tales. In its timeless form it addresses the issues out of which human dramas are made: fear, bravery, love, betrayal, separation and reunion. The edition at hand is a lovingly illustrated picture book recounting Andersen's fairy tale in a sensitive and child-friendly form. It has been translated into a multitude of languages and is available as a bilingual edition in all conceivable combinations of these languages. ? NEW: With pictures to color! A download link in the book gives you free access to the pictures from the story to color in.

Little Kun isn't too happy about the latest addition to his family. With the arrival of a new baby sister in the house, he worries his parents may not love him as much as they used to... But when a teenage girl shows up and tells Kun that she is his sister from the future, it may be that there's more to this new relationship than Kun ever could've dreamed!

This book will allow you to learn Spanish in only 30 days, starting from scratch. And this is more than a simple promise. Let me explain... The method is very simple: this book is divided in 30 chapters, one for each day, to let you learn the basics of this language in just one month. To make the most of this course, you just need to follow one rule: reading one chapter every day, no more, no less. If you follow this rule and the guidelines included in this book, the result is guaranteed. Forget about the usual boring grammar courses, with their impersonal style. "How to learn Spanish in 30 days" has been created with all the trappings of self-help, as a practical manual, with a personal, fun and motivational touch. It is full of many curious anecdotes and useful pieces of advice not only to speak in Spanish, but also to help you while travelling. If you are still not convinced, keep reading... FROM THE PREFACE... (...) You are going to tell me: "so, in 30 days I will be able to learn an entire language?!". The answer is YES! First of all, as any valuable product, it has brilliantly passed the quality check: friends and relatives have tested this manual and the following month they did pretty well with grammar and vocabulary, trust me. Of course, in 30 days no one becomes a native speaker: but you can build a strong foundation on which to build a beautiful house. Do you get what I mean? Studying a little bit every day is a secret as simple as it is effective to make the learning easier and quicker. I will give you the opportunity to analyse in depth every little secret about grammar and vocabulary, and you must really promise me that you will do everything you can to complete this rich training: consult online newspapers, watch films or TV series with subtitles, read a good book with a dictionary next to you, in short take every little opportunity to be in contact with Spanish as much as possible. Then there will be space for real dialogues in Spanish, the testing ground for your theoretical skills. When you go on holiday to a Spanish-speaking country or you will have to use Spanish in any other situation, you will just want to do your best. Think about this: one month. 30 days of studying will help you learning a new language, improving your curriculum, immersing yourself in a new and different world. It will be a special month, and you will be satisfied.

Teachers are obsessed with telling you what to learn. The problem is, nobody teaches you how to learn. This is all about to change. In his new book, How To English, Adam David Broughton shares a revolutionary and powerful system that teaches you exactly how to make incredible progress in all aspects of English. In How To English, you will learn 62 practical techniques to become an independent learner in 31 days, and everything you will ever need to get the level you've always wanted in English and enjoy the process. How to master English fluency How to listen perfectly in English How to stop making mistakes in English How to improve your pronunciation How to expand your vocabulary in English How to have perfect English grammar How to stay motivated, be disciplined and create a habit ...and 55 other amazing techniques. Everyone knows that it's not what you do in class that determines your progress in English, it's what you do when you are not in class. However, English learners often don't know what to do. As a result, at some point, every English learner stops making progress. Then they get frustrated. How To English is the antidote to this frustration. When you learn how to learn English, you never need to worry about what you learn in English.

Ernesto Macaro brings together a wealth of research on the rapidly expanding phenomenon of English Medium Instruction. Against a backdrop of theory, policy documents, and examples of practice, he weaves together research in both secondary and tertiary education, with a particular focus on the key stakeholders involved in EMI: the teachers and the students. Whilst acknowledging that the momentum of EMI is unlikely to be diminished, and identifying its potential benefits, the author raises questions about the ways it has been introduced and developed, and explores how we can arrive at a true cost-benefit analysis of its future impact. "This state-of-the-art monograph presents a wide-ranging, multi-perspectival yet coherent overview of research, policy, and practice of English Medium Instruction around the globe. It gives a thorough, in-depth, and thought-provoking treatment of an educational phenomenon that is spreading on an unprecedented scale." Guangwei Hu, National Institute of Education, Singapore Additional online resources are available at www.oup.com/elt/teacher/emi Ernesto Macaro is Professor

of Applied Linguistics at the University of Oxford and is the founding Director of the Centre for Research and Development on English Medium Instruction at the university. Oxford Applied Linguistics Series Advisers: Anne Burns and Diane Larsen-Freeman

French vocabulary book + French dictionary This French vocabulary book contains more than 3000 words and phrases which are grouped by topic to make it easier for you to pick what to learn first. On top of that, the index in the second half of the book provides you with a basic French-English as well as English-French dictionary which makes this a great resource for learners of all levels. What you can expect from this book: This French learning resource is a combination of French vocabulary book and a two-way basic French dictionary: Part 1 - Topic based French vocabulary book: This is the main part of the book and represents a list of chapters each containing French vocabularies for a certain topic. The French vocabularies in the chapters are unsorted on purpose to separate remembering them from a defined alphabetical order. You can start at any chapter and dive directly into the topics that interest you the most. Part 2 - Basic English-French dictionary: The index in the second half of the book can be used as a basic French dictionary to look up words you have learned but can't remember or learn new words you need. Part 3 - Basic French-English dictionary: Easy to use and with just the right amount of words, this third part finishes off with a second index that allows you to look for French words and directly find the English translation How to use this French vocabulary book: Not sure where to start? We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The French dictionaries in part two and three can be used whenever needed to look up words you hear on the street, English words you want to know the French translation for or simply to learn some new words. Some final thoughts: Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well. Together with the basic French dictionary parts, this vocabulary book is a great resource to support you throughout the process of learning French and comes in particularly handy at times when there is no internet to look up words and phrases.

This logical, developmental presentation of the major aspects of modern Greek grammar includes all the necessary tools for speech and comprehension. Designed for adults with limited learning time who wish to acquire the basics of everyday modern Greek, this grammar features numerous shortcuts and timesavers. Ideal as an introduction, supplement, or refresher.

She thought she was on her way to the top... Sixteen-year-old Natalya Pushkaya has one dream and one dream only: becoming the best ballerina ever. Dancing's always been who she is and she's working her hardest to land the main role of the School of Performing Arts' end-of-the-year showcase. But...will she make it? Within a week, Natalya's life will be changed forever.

Prequel novelette of One, Two, Three

Increasingly, children grow up hearing two languages from birth. This comprehensive textbook explains how children learn to understand and speak those languages. It brings together both established knowledge and the latest findings about different areas of bilingual language development. It also includes new analyses of previously published materials. The book describes how bilingually raised children learn to understand and use sounds, words and sentences in two languages. A recurrent theme is the large degree of variation between bilingual children. This variation in how children develop bilingually reflects the variation in their language learning environments. Positive attitudes from the people in bilingual children's language learning environments and their recognition that child bilingualism is not monolingualism-times-two are the main ingredients ensuring that children grow up to be happy and expert speakers of two languages.

She's his best friend's little sister. He's the biggest player of them all. They shouldn't be together. But this summer's just too tempting. Sixteen-year-old Emilia Moretti's goal for the summer is simple: forget her brother's best friend—Nick Grawsky—ever existed. It should be easy: He's spending his summer in the Hamptons, adding girls in tiny bikinis to his list of broken hearts. Guarantee he won't be telling them they're like his little sisters. This summer, Emilia won't stay awake at night thinking about him. She'll need flawless ballet movements to have a shot at next year's showcase, and she's finally ready to search for her birth parents. But when Nick decides to stay in the city, Emilia's resolve disappears in a pirouette. Maybe it's the spin they needed to be together. As long as she doesn't get stuck believing in happily ever after... Nick is tired of pretending to be the happy, let's-have-fun guy. His father wants him to change his career from professional dancer to...lawyer. He needs to put all of his focus on dancing to prove to Daddy Dearest he's good enough to make it big. And he may have a case of the bluest balls in history courtesy of Emilia. She's off-limits: The bro code with Roberto even forbids the dirty thoughts he has about her. Besides, he's not boyfriend material. He only has time for flings, for girls who don't expect much, for girls he doesn't want to kiss goodnight. He knows he should resist her, but he's not sure he wants to... At least for this summer. It's going to be a summer like no other.

3 Ya? üstü çocuklar için, sevgiyle resimlendirilmi? iyi geceler hikayesi. Bu kitab?n iki dilli yay?n?na (Türkçe ve ?ngilizce), Türkçe ve ?ngilizce online sesli kitaplar? ve ç?kt? olarak bast?rabilecek?iniz boyama resimleri dahil. Lulu uyuyam?yor. Onun bütün pelu? hayvanlar? rüyaya dald? bile — köpek bal???, fil, küçük fare, ejderha, kanguru ve aslan yavrusu. Ay?c??n da gözleri neredeyse kapan?yor. Ay?c?k, beni rüyana götürür müsün? Bu ?ekilde Lulu için, onu bütün pelu? hayvanlar?n?n rüyalar?na götüren, bir yolculuk ba?l?yor — ve sonunda kendi en güzel rüyas?na. ? Bu hikaye size, ana dili olan ki?iler taraf?ndan okunsun! ? Bilingual children's picture book (Turkish – English), with audio Lulu can't fall asleep. All her cuddly toys are dreaming already – the shark, the elephant, the little mouse, the dragon, the kangaroo, and the lion cub. Even the bear has trouble keeping his eyes open ... Hey bear, will you take me along into your dream? Thus begins a journey for Lulu that leads her through the dreams of her cuddly toys – and finally to her own most beautiful dream. ? Listen to the story in both languages, read by native speakers! ? NEW: With printable coloring pages! A download link in the book gives you free access to the pictures from the story to color in.

The Kamishibai man used to ride his bicycle into town where he would tell stories to the children and sell them candy, but gradually, fewer and fewer children came running at the sound of his clappers. They were all watching their new televisions instead. Finally, only one boy remained, and he had no money for candy. Years later, the Kamishibai man and his wife made another batch of candy, and he pedaled into town to tell one more story—his own. When he comes out of the reverie of his memories, he looks around to see he is surrounded by familiar faces—the

children he used to entertain have returned, all grown up and more eager than ever to listen to his delightful tales. Using two very different yet remarkable styles of art, Allen Say tells a tale within a tale, transporting readers seamlessly to the Japan of his memories.

Bilingual English-Filipino/Tagalog Children's Book What happens if the world unexpectedly stands still for a moment? If, just like that, you are given a bit of time by sheer luck? This is exactly what happens in one of the biggest and busiest cities of the world, as a small snail crosses the street and makes traffic stop for half a day. A book about things that you always wanted to do but never had the time for. Reviews "charming"-Kirkus Reviews "A proposal to improve the world"-Westfälische Nachrichten "interesting not just in its story or its message, but also in how it delivers that message. The colors and backgrounds have a rich sense of texture, unlike the majority of children's books."-ForeWord Clarion Reviews "beautiful"-Geizkragen Website "A creative bedtime story, which is also suitable for stressed adults. [...] In the bustle of the city, the animals seize the moment and become aware of how beautiful life can be without stress and hustle."-Designers in Action "sets out to demonstrate what can happen when we're true to ourselves, when we seize our day, when we live in the present, when we actually feel and enjoy the weather, when we are spontaneous, when we break from routine, when we defy expectation, and how these rather small acts of joy can inspire others"-Amazon Customer Review from the U.S. "fabulous"-Ehrensens, Spiegel Online "The story of a little snail who triggers big changes"-Münstersche Zeitung

This collection draws from scholars across different languages to address and assess the scholarly achievements of Tawada Y?ko. Y?ko, born in Japan (1960) and based in Germany, writes and presents in both German and Japanese. The contributors of this volume recognize her as one of the most important contemporary international writers. Her published books alone number more than fifty volumes, with roughly the same number in German and Japanese. Tawada's writing unfolds at the intersections of borders, whether of language, identity, nationality, or gender. Her characters are all travelers of some sort, often foreigners and outsiders, caught in surreal in-between spaces, such as between language and culture, or between species, subjectivities, and identities. Sometimes they exist in the spaces between gendered and national identities; sometimes they are found caught between reality and the surreal, perhaps madness. Tawada has been one of the most prescient and provocative thinkers on the complexities of travelling and living in the contemporary world, and thus has always been obsessed with passports and trouble at borders. This current volume was conceived to augment the first edited volume of Tawada's work, Y?ko Tawada: Voices from Everywhere, which appeared from Lexington Books in 2007. That volume represented the first extensive English language coverage of Tawada's writing. In the meantime, there is increased scholarly interest in Tawada's artistic activity, and it is time for more sustained critical examinations of her output. This collection gathers and analyzes essays that approach the complex international themes found in many of Tawada's works.

Little Frog is trying to help his new family, but, like a human toddler, he keeps getting it wrong and causing chaos! He never hits his new siblings, but he does draw on their faces while they are asleep! This makes his parents very upset and Little Frog thinks this means they don't love him anymore. But of course they do - and they follow him to the ends of the earth to prove it.

A level 3 Oxford Bookworms Library graded reader. This version includes an audio book: listen to the story as you read. Retold for Learners of English by Jennifer Bassett. Love stories with a difference . . . There's a kiss by a fireside that was a mistake, there's a man-hating aunt by the seaside, and a gunman in Texas wanting a fight. There's a white heron flying over a forest, and a messenger running between two benches in a park. And of course, there's a girl who meets a boy . . . These love stories are by US writers Kate Chopin, Stephen Crane, Sarah Orne Jewett, O. Henry, and Canadian writer Lucy Maud Montgomery (author of the famous Anne of Green Gables).

Impara il Giapponese: Racconti Bilingui Giapponese e ItalianoLingoLibros

In this book Umberto Eco argues that translation is not about comparing two languages, but about the interpretation of a text in two different languages, thus involving a shift between cultures. An author whose works have appeared in many languages, Eco is also the translator of Gérard de Nerval's Sylvie and Raymond Queneau's Exercices de style from French into Italian. In Experiences in Translation he draws on his substantial practical experience to identify and discuss some central problems of translation. As he convincingly demonstrates, a translation can express an evident deep sense of a text even when violating both lexical and referential faithfulness. Depicting translation as a semiotic task, he uses a wide range of source materials as illustration: the translations of his own and other novels, translations of the dialogue of American films into Italian, and various versions of the Bible. In the second part of his study he deals with translation theories proposed by Jakobson, Steiner, Peirce, and others. Overall, Eco identifies the different types of interpretive acts that count as translation. An enticing new typology emerges, based on his insistence on a common-sense approach and the necessity of taking a critical stance.

If you are a software developer with little or no experience of versioning systems, or are familiar with other centralized versioning systems, then this book is for you. If you have some experience working with command lines or using Linux admin or just using Unix and want to know more about Git, then this book is ideal for you.

Kikko sets out after her father with a forgotten pie for Grandma. When she arrives at a strange house in the wintry woods, a peek in the window reveals that the footprints Kikko had been following did not belong to her father at all, but to a bear in a long coat and hat! Alice in Wonderland meets Little Red Riding Hood in this charmed tale.

An innovative and comprehensive guide that can be applied to a wide range of dialogue settings this educational tool for trainers in all fields of dialogue interpreting addresses not only the two key areas of Community- and Public Service Interpreting, the legal and health sectors, but also business interpreting.

These are short stories about female domination, where a male gets their comeuppance. Brenda was ex special services, and when she found out her live in boy friend was screwing half the village, they lived in, she decided to teach him a lesson he would, never forget. In the second story, a man decided to assist catch a criminal gang, but fell foul to a rouge officer, and ended up a prisoner of a gang. The third story has a male the victim of a bank robbery held captive by two female robbers. The police are looking for four men, and have the DNA of one of them. They are not looking for three female sculptors, delivering a statue. Next we have, 'The Stud, ' when he applied for a job as a sexually

capable male, he had no idea what was required. His sexual prowess, was put to the test, as the male in a group teaching people how to have the best sex. In this story we have a group of women out to teach a lecherous male a lesson, not expecting his revenge. Graham can't hold his liquor, wetting his pants. Janet engages a nanny, to help cure him. There are ten short stories to enjoy, these are just some.

Explores the reasons why it is often difficult to learn a second language and explains how language acquisition can be a process of self-discovery.

For the first time, English readers have access to Soseki's Spring Miscellany. Originally published as Eijitu Shohin in serial form in the Asahi newspaper in 1909, before appearing in book form, Spring Miscellany is an pastiche of twenty-five sketches, referred to as shohin (little items), heir to the great zuihitsu tradition of discursive prose. These personal vignettes are clearly autobiographical and reveal Soseki's kaleidoscopic view of his private world and his interest in authentic, unadorned self-expression. The stories range from from episodes from his youth to his adult musings. Of special interest are the accounts of Soseki's stay in England between 1900 and 1902, where he attended University College, studied privately with W. J. Craig, editor of the Arden Shakespeare, and immersed himself in studying eighteenth-century literature. It was not a happy time for Soseki--he described his stay as "like a poor dog that had wandered into the company of wolves"--but, as with all great writers, he managed to turn adversity into raw material for his art and to give us insight today into the life of an expatriate Japanese scholar at the turn of the century. In his Introduction to the work, Sammy Tsunematsu, founder and curator of the Soseki Museum in London, provides a fresh perspective on Soseki as a man and a writer, as well as an insightful commentary on the work itself.

A man consumed by a meaningless life is going to do something he's never considered doing before. He's going to enjoy the day... For hyper-particular publishing heir Jonathan Grief, the day starts like any other--with a strict morning fitness regimen that'll keep his divorced, easily irritated, cynical, forty-two-year-old self in absolutely flawless physical condition. But all it takes to put a crimp in his routine is one small annoyance. Someone has left a leather-bound day planner with the handwritten title Your Perfect Year in his spot on his mountain bike at his fitness course! Determined to discover its owner, Jonathan opens the calendar to find that someone known only as "H." has filled it in with suggestions, tasks, and affirmative actions for each day. The more he devotes himself to locating the elusive H., the deeper Jonathan is drawn into someone else's rich and generous narrative--and into an attitude adjustment he desperately needs. He may have ended up with a perfect year by accident, but it seems fate has set Jonathan on a path toward healing, feeling, and maybe even loving again...if only he can meet the stranger who's changing his life one day at a time.

These tests feel as authentic as the real IELTS papers, and doing them at home is a great way to estimate your real IELTS score. Being a demanding test, IELTS requires a thorough preparation and these tests will help you master exam strategies, polish your techniques and raise your confidence. * 5 full-length Academic IELTS practice tests with answers * Listening recordings (downloadable mp3) with transcripts, locations of answers in sentences are underlined * Sample speaking test recordings (downloadable mp3) with examiner's report on every student's performance and an approximate Band score * Reading Answer Help chapter shows why correct answers are the right ones and where they are located in the passages * All writing tasks have model answers provided

Do you wish to speak like a Turkish native? Are you interested in learning Turkish for a trip to Istanbul? If your answer to any of the previous questions was 'Yes', then this book is for you! Turkish isn't one of the most-spoken languages in the world, but it is certainly one of the most useful. Known as the "Bridge between Europe and Asia", you may find yourself visiting the wonderful nation of Turkey for business or pleasure, and you will need to know the language to succeed there! In this book, we have compiled OVER ONE HUNDRED conversational Turkish dialogues along with their translations into English, allowing new Turkish speakers to obtain the necessary tools to understand how to set a meeting, rent a car or tell a doctor that they don't feel well. If speaking the language fluently is your goal, this book is for you! How Conversational Turkish Dialogues works: - Each new chapter will have a fresh, new story between two people who wish to solve a common, day-to-day issue that you will surely encounter in real life. - A Turkish version of the conversation will take place first. Here, we will challenge your skills by allowing you to read the dialogue in its original tongue: you will learn how to read and pronounce each word like a native! - Accurate English translations follow each Turkish conversation, providing you with the opportunity to understand everything that has been said. - A helpful introduction and conclusion that will offer you important strategies, tips and tricks to allow you to get the most out of this learning material. We want you to feel comfortable while learning the tongue; after all, no language should be a barrier for you to travel around the world and expand your online and offline social circles! So, look no further! Pick up your copy of Conversational Turkish Dialogues and start learning Turkish right now!

Without grammar, you can't say much; but without vocabulary, you can't say anything. This book is made for students of English as a Second or Foreign Language. Learning another language is never fast, but the Fifty Ways to Practice series will speed things up by showing you how to practice more efficiently and effectively both inside and outside the classroom. These books can be used by beginners and advanced students alike. You will learn 50 ways to learn, practice, and remember vocabulary in English. By applying these methods, you will improve your ability to understand and express yourself in English. You do not need to be living in an English-speaking country or be currently taking an English class to use this book. However, students who are already in a class can also use this book to improve their vocabulary more quickly and easily. The book includes suggestions for specific websites that can be used for listening practice, as well as tips for using dictionaries effectively. Categories covered include Finding and Learning New Words; Flashcards; Practicing and Remembering Vocabulary; and Vocabulary Games.

With the intensification of globalization, there is a growing consensus that «international education has come of age». This book examines how the changing conditions of the present have given rise to an

altered set of meanings and uses for international education, using the International Baccalaureate (IB) as its focal point. Currently adopted in over 2,500 private and state-run schools in 134 countries around the world, the IB has far surpassed the expectations of its founders, who struggled under considerable challenges in the 1960s to develop an internationally recognized diploma for university entrance. From its beginnings to its current prominence, the history of the IB richly illuminates the shifting meanings, uses, challenges, and progressive openings of international education in a global age. Documenting the ideals, goals, and complications faced by the IB movement, this book will be relevant to individuals interested in the IB in particular, as well as to those interested in the broader areas of global studies, progressive pedagogy, educational change, and globalization.

Dvojezi?na knjiga za decu (hrvatski – njema?ki), sa audioknjigom Tim ne mo?e zaspati. Njegov mali vuk je nestao! Je li ga vani zaboravio? Sasvim sam krenuo je u no? – i neo?ektivano dobiva društvo...
