Discover Sociology: Core Concepts by Daina S. Eglitis and William J. Chambliss explores sociology as a discipline of curious minds, with the theoretical, conceptual, and empirical tools needed to understand, analyze, and even change the world. It is adapted from Discover Sociology, Fourth Edition and offers in-depth coverage of 12 high-priority topics that are at the core of almost all introductory sociology courses. The Second Edition of Core Concepts maintains its reader-friendly narrative and the hallmark themes of the parent book, including the unequal distribution of power in society (“Inequality Matters”), the sociological imagination (“Private Lives, Public Issues”), career skills (“What Can I Do With a Sociology Degree?”) and civil discourse (“Discover and Debate”). In response to reader’s requests, this edition features expanded coverage of issues such as intersectionality, popular culture, and changes in the contemporary population of college students in the U.S. Additionally, updated social indicators bring in the latest data available from the U.S. Census Bureau, the Bureau of Labor Statistics, the Centers for Disease Control and Prevention, and the Pew Research Center, among others, to ensure that discussions and figures remain timely. Also available as

This Fourth Edition of George Ritzer's Introduction to Sociology shows students the relevance of sociology to their lives. While providing a rock-solid foundation, Ritzer illuminates traditional sociological concepts and theories, as well as some of the most compelling contemporary social phenomena: globalization, consumer culture, the digital world, and the "McDonaldization" of society. With examples on every page from current events and contemporary research, and stories about "public" sociologists who are engaging with the critical issues of today, the text demonstrates the power of sociology to explain the world, and the diversity of questions that sociologists seek to answer. New to this Edition New "Trending" boxes focus on

Read Online Introductory Sociology Study Guide File Type

influential books written by sociologists that have become part of the public conversation about important issues. Replacing “Public Sociology” boxes, these boxes demonstrate the diversity of sociology's practitioners, methods, and subject matter, and feature such authors as: Michelle Alexander (*The New Jim Crow*) Elizabeth Armstrong and Laura Hamilton (*Paying for the Party*) Randol Contreras (*The Stick-Up Kids*) Matthew Desmond (*Evicted*) Kimberly Hoang (*Dealing in Desire*) Arlie Hochschild (*Strangers in Their Own Land*) Eric Klinenberg (*Going Solo*) C.J. Pascoe (*Dude, You're a Fag*) Lori Peek and Alice Fothergill (*Children of Katrina*) Allison Pugh (*The Tumbleweed Society*) Updated examples in the text and “Digital Living” boxes keep pace with changes in digital technology and online practices, including Uber, bitcoin, net neutrality, digital privacy, WikiLeaks, and cyberactivism. New or updated subjects apply sociological thinking to the latest issues including: the 2016 U.S. election Brexit the global growth of ISIS climate change President Trump's proposed Mexican border wall further segmentation of wealthy Americans in the “super rich” transgender people in the U.S. armed forces charter schools the legalization of marijuana the Flint water crisis fourth-wave feminism

new and experienced instructors, the book guides you in adding pedagogically relevant visual design elements that contribute to effective learning practices. The text builds upon three conceptual frameworks: active learning, multiple intelligences, and universal design for learning. This resource explores critical issues such as copyright, technology tools, and accessibility and includes examples from top Blackboard practitioners which are applicable to any LMS. Ultimately, the author guides you in developing effective visual elements that will support your teaching goals while reinforcing the learning materials you share with your students. There has been a steady increase of over 10% in online enrollment for higher education institutions since 2002, yet the visual look of online courses has not changed significantly in the last ten years. Adapting to the needs of students within online classes is critical to guiding your students toward success and the right visual elements can play an integral role in your students' ability to learn and retain the information they need to thrive in their chosen programs. In fact, visual elements have been shown to increase student participation, engagement, and success in an online course. Leverage the best practices employed by exemplary Blackboard practitioners Explore three foundational conceptual frameworks: active learning, multiple intelligences, and universal design for learning Increase student

Government; Family; Religion; Education; Health and Medicine; Population and Urbanization; Environment and Society; Collective Behavior and Social Movements; and Social Change: Traditional, Modern, and Postmodern Societies. Includes fifty-six global and national maps. For anyone interested in a comprehensive, interactive introduction to sociology. This is Sociology is an engaging, concise introduction to the key concepts used for studying social life. It covers a diverse range of theorists from the rich history of sociology and shows how thinking sociologically can help us understand our lives, the groups we are part of, and the rapid social changes and inequalities that shape contemporary societies. Key features: Uses compelling international examples and a range of theoretical perspectives from across the world, including theorists that have often been omitted from the established sociological canon. Covers topics such as globalization, culture, gender, race, and class. Introduces the latest approaches emerging from efforts to build an inclusive global sociology, one that moves beyond a Eurocentric perspective and is equipped for the challenges of the 21st Century. The book is essential reading for anyone new to studying sociology and is supported by a wide range of podcasts, videos, and discussion questions.

This best-selling comprehensive book conveys the relevance of sociology by including a timely

collection of theories, research, and examples--including its signature first-person accounts that open chapters. Experiences represented in these opening vignettes accurately mirror the richness and complexity of society, while also establishing the themes that are carried throughout the chapters. Author Diana Kendall's vivid, inviting writing style, emphasis on applications, eye for the most compelling current examples, and use of assignable photo essays and companion videos engage readers and further highlight sociology's relevance to all students. Now in its Ninth Edition, *SOCIOLOGY IN OUR TIMES* is acclaimed in the field for being the first textbook to integrate race, class, and gender issues, and for its thorough presentation of sociological theory, including contemporary perspectives such as feminism and postmodernism. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Third Edition of *Our Social World: Introduction to Sociology* is truly a coherent textbook that inspires students to develop their sociological imaginations, to see the world and personal events from a new perspective, and to confront sociological issues on a day-to-day basis. Key Features: * Offers a strong global focus: A global perspective is integrated into each chapter to encourage students to think of

Read Online Introductory Sociology Study Guide File Type

global society as a logical extension of their own micro world. * Illustrates the practical side of sociology: Boxes highlight careers and volunteer opportunities for those with a background in sociology as well as policy issues that sociologists influence. * Encourages critical thinking: Provides various research strategies and illustrates concrete examples of the method being used to help students develop a more sophisticated epistemology. * Presents "The Social World Model" in each chapter: This visually-compelling organizing framework opens each chapter and helps students understand the interrelatedness of core concepts. New to the Third Edition: * Thirty new boxed features, including the innovative 'Engaging Sociology' and 'Applied Sociologists at Work' features * Three substantially reorganised chapters (2. Examining the Social World, 3. Society and Culture, and 13. Politics and Economics) * 315 entirely new references and 120 new photos.

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Packed with current examples you can easily relate to, Tischler's INTRODUCTION TO SOCIOLOGY, 11E delivers comprehensive, up-to-date coverage in a succinct and affordable format. The author begins by equipping you with tools for success, including tips for how to read, study, and take tests more effectively. A built-in study guide and practice tests ensure thorough understanding. The text threads two basic ideas throughout: sociology is a rigorous, scientific discipline, and basic knowledge of sociology is essential for understanding social interaction in many work and social

Introduction to Sociology 2e adheres to the scope and sequence of a typical, one-semester introductory sociology course. It offers

Read Online Introductory Sociology Study Guide File Type

comprehensive coverage of core concepts, foundational scholars, and emerging theories, which are supported by a wealth of engaging learning materials. The textbook presents detailed section reviews with rich questions, discussions that help students apply their knowledge, and features that draw learners into the discipline in meaningful ways. The second edition retains the book's conceptual organization, aligning to most courses, and has been significantly updated to reflect the latest research and provide examples most relevant to today's students. In order to help instructors transition to the revised version, the 2e changes are described within the preface. The images in this textbook are grayscale. Authors include: Heather Griffiths, Nathan Keirns, Eric Strayer, Susan Cody-Rydzewski, Gail Scaramuzzo, Tommy Sadler, Sally Vyain, Jeff Bry, Faye Jones

This brief anthology for introductory sociology is a collection of 24 short readings that illustrate key concepts in sociology, relate to the everyday lives of students, and spark good classroom discussions. The selections represent four theoretical traditions in sociology (functionalism, symbolic interaction, conflict theory, feminism) and show the range and diversity of sociology and the people who practice it. The book is designed for instructors who want to expose students to some original scholarship in their first sociology course, but who do not want to adopt

a comprehensive reader along with the core text they are using.

An Introduction to Sociology is your essential guide to understanding the social forces that shape our lives and the world around us. This innovative textbook introduces you to the key theories, themes, and concepts in the discipline of sociology and helps you to develop as a sociologist by providing comprehensive coverage of all the main areas of study. Presenting you with the history, current debates and recent research developments for each topic, this book covers everything from classical sociologies and traditional subjects such as class, families, and religion, through to more progressive areas like digital society, social media, migration, and the interconnectedness of modern global society. The book's extensive coverage means it can be used throughout your studies, from first year to final year. Key features: Each chapter is written by an internationally renowned expert who uses specialist insight and the latest research to provide a reliable and up-to-date overview. Includes a selection of unique learning features such as "Hear from the Expert" boxes and "Key Cases" from around the world, as well as reflective activities and revision questions that will enhance your knowledge. Features a section titled "What is sociology useful for?" which includes chapters on the public value of sociology and the role of sociology in contemporary
