The Kindle Paperwhite has been the best Kindle for most people since 2015 when Amazon last updated it with a screen that was nearly on par with the high-end Voyage and Oasis models at just a fraction of the price. Today, Amazon has updated the Paperwhite again, adding new features that were introduced with the second-generation Oasis, including waterproofing and support for Audible audiobooks in a lighter and thinner package. Nearly every aspect of the new Paperwhite is better. The screen is now flush with the front in a seamless sheet of glass - just like the now-defunct Voyage offered - there are more LEDs for the illuminated display, and storage has been doubled on the base model to 8GB, with another model offering 32GB of
