From New York Times New Bestselling authors Penelope Ward and Vi Keeland comes a new, sexy standalone novel. My planned trip for two unexpectedly turned into a trip for one. Rather than let my breakup get me down, I packed my bags and decided a week at a luxury resort was just what I needed. But one calamity after the next, and suddenly I was stuck without a hotel room, along with a few hundred other people. It looked like my fancy vacation was about to turn into me sleeping on the hotel lobby floor. Until I overheard a gorgeous man pretending to be someone he wasn't in order to steal a reservation from a guest who hadn't shown up yet. When I realized there were two rooms, instead of calling him out, I pretended to be his sister. That's how the story of "Milo and Maddie Hooker" began. We were the Hookers. My depressing trip quickly made a U-turn into an adventure. My fake brother spent the next few days showing me around his hometown. When it was time to leave, neither of us really wanted to go yet. So, instead of flying back to our respective homes, we ventured on a road trip. At every stop, we'd pick up souvenirs. But as hot as our chemistry was, we never crossed the

line. Milo knew I'd just come out of a tough relationship and didn't want to mess with a vulnerable woman. So instead, at the end of our trip, we made a pact to meet again in three months. It was always my intention to meet him. But when I got back home, reality hit in a big way. And I worried I may have lost my handsome stranger forever. Was there a place for him in my future? Or had the memory of him just become my favorite souvenir?

Souvenirs are part of global and local travel and tourism in all corners of the world. This book portrays souvenirs as expressions of culture and as triggers of cultural change. The volume provides critique and theorisation of souvenirs of places, people and experiences in the context of lives lived at the margins of society, politics, tourism flows and urbanisation. Case studies in sustainable tourism illustrate dynamic ways that consumers and suppliers use souvenirs to respond to, resist and (re)interpret global and local influences upon cultures across informal, hybrid and formal economies.

A Most Anticipated Book From: OprahMag.com * Refinery 29 * Seattle Times * LitHub * Houston Chronicle * The Millions * BuzzFeed Award-winning author Elizabeth McCracken is an undisputed virtuoso of the short story, and this new collection features her most vibrant and heartrending work to date. In these stories, the mysterious bonds of family are tested, transformed, fractured, and fortified. A recent widower and his adult son ferry to a craggy Scottish island in search of puffins. An actress who plays a children's game-show villainess ushers in the New Year with her deadbeat half brother. A mother, pining for her children, feasts on loaves of challah to fill the void. A new couple navigates a tightrope walk toward love. And on a trip to a Texas water park with their son, two fathers each confront a personal fear. With sentences that crackle and spark and showcase her trademark wit, McCracken traces how our closely held desires—for intimacy, atonement, comfort—bloom and wither against the indifferent passing of time. Her characters embark on journeys that leave them indelibly changed—and so do her readers. The Souvenir Museum showcases the talents of one of our finest contemporary writers as she tenderly takes the pulse of our collective and individual lives.

Louise Steinman's American childhood in the fifties was bound by one unequivocal condition: "Never mention the war to your father." That silence sustained itself until the fateful day Steinman opened an old ammunition box left behind after her parents' death. In it she discovered nearly 500 letters her father had written to her mother during his service in the Pacific War and a Japanese flag mysteriously inscribed to Yoshio Shimizu. Setting out to determine the identity of Yoshio Shimizu and the origins of the silken flag, Steinman discovered the unexpected: a hidden side of her father, the green soldier who achingly left his pregnant wife to fight for his life in a brutal 165-day campaign that changed him forever. Her journey to return the "souvenir" to its owner not only takes Steinman on a passage to Japan and the Philippines, but also returns her to the

age of her father's innocence, where she learned of the tender and expressive man she'd never known. Steinman writes with the same poignant immediacy her father did in his letters. Together their stories in *The Souvenir* create an evocative testament to the ways in which war changes one generation and shapes another. 120 Page 6x9 notebook for New York City Lovers, Statue of Liberty, Empire State Building, Brooklyn Bridge, Times Square, Manhattan, Nice gift for school, university of as a diary
