In the near future, kitchen appliances question, console, and bewilder their owners. Extraterrestrials leave behind sub-dermal implants and complicated daughters. A second moon settles into orbit around Earth, a moon which challenges those beneath it to see it, to name it, to explore it. And crew members aboard starships turn to fine and pulp art as consolation. The lyric poems in Small Waiting Objects reach back to feminist utopias and onward toward possible futures in which we find ourselves resisting the technologies-and their human implications-that we most desire.

How often have you cried out for God, Why? Why dont people understand me? Why do I struggle? Why do I have problems? The answer: Because you are anointed! Best-selling author T.D. Jakes writes, I used to have the wrong notion that when you are really anointed, you no longer have problems or rough times. But you show me anybody whos really Holy Ghost, knee-jerking, tongue-talking, casting-out-demons, laying-hands-on-the-sick, miracle-working, world-changing, mind-transforming, mind-boggling, head-straightening anointed, and Ill show you somebody who cried in the middle of the night and suffered all night long, wondering where is God. But, my friend, I have to confess that through it all I have learned to trust in Jesus. Through it all, Ive learned to trust in God.

In this intimate book of inspiration, Tyler Perry writes of how his faith has sustained him in hard times, centered him in good times, and enriched his life. *Higher Is Waiting* is a spiritual guidebook, a collection of teachings culled from the experiences of a lifetime, meant to inspire readers to climb higher in their own lives and pull themselves up to a better, more fulfilling place. Beginning with his earliest memories of growing up a shy boy in New Orleans, Perry recalls the moments of grace and beauty in a childhood marked by brutality, deprivation, and fear. With tenderness he sketches portraits of the people who sustained him and taught him indelible lessons about integrity, trust in God, and the power of forgiveness: his aunt Mae, who cared for her grandfather, who was born a slave, and sewed quilts that told a story of generations; Mr. Butler, a blind man of remarkable dignity and

elegance, who sold penny candies on a street corner; and his beloved mother, Maxine, who endured abuse, financial hardship, and the daily injustices of growing up in the Jim Crow South yet whose fierce love for her son burned bright and never dimmed. Perry writes of how he nurtured his dreams and discovered solace in nature, and of his resolute determination to reach ever higher. Perry vividly and movingly describes his growing awareness of God's presence in his life, how he learned to tune in to His voice, to persevere through hard times, and to choose faith over fear. Here he is: the devoted son, the loving father, the steadfast friend, the naturalist, the philanthropist, the creative spirit—a man whose life lessons and insights into scripture are a gift offered with generosity, humility, and love.

"The Cracked Mirror" shows how unprocessed experiences can negatively shape our view of self, others, and the world around us. "Ghosts of the Past" gives powerful, practical tools for avoiding the traps of the past and ensuring that we enter into the amazing future that God has planned for us. Wholeness is filled with wisdom garnered from Touré's own life—raised by a single mom, narrowly escaping the trappings of inner city life, and finding success in corporate America. His insight is further broadened by his role as founder of one of the most influential churches in the nation, with over fourteen years pastoring thousands of millennials, couples, families, and a diverse group of individuals. Wholeness will take you on a transformational journey that won't leave you the same. Serial verbs and complex predicates have a long history of research, yet there is comparatively little documentation on Oceanic languages. This volume presents new data for further typological studies. While previous research on serial verbs in Oceanic languages was mostly devoted to "core" serial constructions (with non-contiguous sV(o)sV(o) nuclei), this volume contributes a more detailed investigation of the "nuclear" type of complex predicates involving contiguous sVV(o) nuclei. Complex predicates of the form VV may correspond to two different syntactic structures, either co-ranking

or hierarchized (head-modifier). Though the VV pattern does evidence a tendency towards structural compression, often entailing the fusion of the argument structures of two or more nuclei, yet it cannot be reduced to cases of co-lexicalization, compounding or grammaticalization. The data also show the "nuclear" type to be compatible with all types of basic word orders (VSO, VOS, SVO, SOV), with no evidence that this results from any word order change. This challenges the claim that "nuclear" serialization correlates with verb-final order, and "core" serialization with verb-medial order.

New York Times Bestseller Sarah Jakes Roberts, with life-lessons she's learned and new insights from the story of Eve, shows you how the

disappointments and even mistakes of your past can be used today to help you become the woman God intended. Who would imagine being friends with Eve—the woman who’s been held solely responsible for the fall of humanity (and cramps) for thousands of years? Certainly not Sarah Jakes Roberts. That is, not until Sarah discovered she is more like Eve than she cares to admit. Everyone faces trials, and everyone will mess up. But failure should not be the focus. Your focus should not be on who you were but rather the pursuit of who you can become. In *Woman Evolve*, Sarah helps you to understand that your purpose in life does not change; it evolves. Making her mistake in the Garden of Eden, Eve became the first woman to deal with rebuilding her life in the aftermath of her past. Eve knew better, but she didn’t do better. With scriptural lessons and Sarah as your guide, you discover and work through past issues and questions that haunt you, seeing yourself as God sees you and trusting Him with who you really are, how to come out of darkness and pursue a real relationship with God, why it’s important to truly care for yourself, setting in motion the beautiful seed that God planted in you, and running to become who you were meant to be! Your fears and insecurities may have changed how you viewed God, others, and yourself, but in *Woman Evolve*, you can breakthrough and use past mistakes to revolutionize your life. Like Eve, you don’t have to

live your future defined by your past.

Originally published in 1981, this concordance can afford particular benefits to the critic and textual scholar because of several specialized problems that *The Arrow of Gold* presents. It should be able to shed light on problems distinct to *The Arrow of Gold* even as it provides information on questions pertinent to Conrad's work as a whole. This volume is part of a series which produced verbal indexes, concordances, and related data for all of Conrad's works.

The tears that flowed from Calvary were not those of an angry man but of a lonely man. A man forsaken by both God and man. All through the valley, his eyes were set on the mountain, on the joy that would be his. The valley is not the end of the road. It is simply a land surrounded by mountains. We all experience the ups and downs of life, and most times we feel like breaking out in tears. It is not a sign of weakness to cry while going through tough times. Even Jesus wept. The promise is that weeping may endure for a night but joy comes in the morning. It takes faith to walk through the valley and maintain a positive attitude.
