A sweeping memoir, a raw and intimate chronicle of a young activist torn between conflicting personal longings and political goals. *When We Were Outlaws* offers a rare view of the life of a radical lesbian during the early cultural struggle for gay rights, Women's Liberation, and the New Left of the 1970s. Brash and ambitious, activist Jeanne Córdova is living with one woman and falling in love with another, but her passionate beliefs tell her that her first duty is "to the revolution" -to change the world and end discrimination against gays and lesbians. Trying to compartmentalize her sexual life, she becomes an investigative reporter for the famous, underground L.A. *Free Press* and finds herself involved with covering the Weather Underground, Angela Davis; exposing neo-Nazi bomber Captain Joe Tomassi, and befriending Emily Harris of the Symbionese Liberation Army. At the same time she is creating what will be the center of her revolutionary lesbian world: her own newsmagazine, *The Lesbian Tide*, destined to become the voice of the national lesbian feminist movement. By turns provocative and daringly honest, Cordova renders emblematic scenes of the era--ranging from strike protests to utopian music festivals, to underground meetings with radical fugitives--with period detail and evocative characters. For those who came of age in the '70s, and for those who weren't around but still ask 'What was it like?' -*Outlaws* takes you back to re-live it. It also offers insights about ethics, decision making and strategy, still relevant today. With an introduction by renowned lesbian historian Lillian Faderman, *When We Were Outlaws* paints a vivid portrait of activism and the search for self-identity, set against the turbulent landscape of multiple struggles for social change that swept hundreds of thousands of Americans into the streets.

“A healthy dose of action, a strong thread of humor and just a touch of romance” (VOYA, starred review). A teen who is half-god, half-human must own her power whether she likes it or not in this snappy, snarky novel with a serving of smoldering romance that Kirkus Reviews calls “a dark, slyly funny read.” Zephyr Mourning has never been very good at being a Harpy. She’d rather watch reality TV than learn forty-seven ways to kill a man, and she pretty much sucks at wielding magic. Zephyr was ready for a future pretending to be a normal human instead of a half-god assassin. But all that changed when her sister was murdered—and Zephyr used a forbidden dark power to save herself from the same fate. On the run from a punishment worse than death, an unexpected reunion with a childhood friend upends Zephyr’s world—and not only because her old friend has grown surprisingly, extremely hot. It seems that Zephyr might just be the Nyx, a dark goddess that is prophesied to shift the power balance: for hundreds of years the half-gods have lived in fear, and Zephyr is supposed to change that. But how is she supposed to save everyone else when she can barely take care of herself?

Eli Monpress is talented. He's charming. And he's a thief. But not just any thief. He's the greatest thief of the age, and he's also a wizard. Because Eli won't rest until he's amassed a fortune. Step one in his plan is to increase the bounty on his head, so he'll need to steal some big things. He'll start small for now though: he'll just steal something that no one will miss - at least for a while. Like a king . . . At first, she imagines her family as a gang of outlaws, riding on horseback in masks, robbing trains, and traveling all the way to Mexico. But the reality is different: Setting off by car, they visit the tribe of Native Americans with whom Ned once lived, head to Las Vegas in search of Ned's magician brother, and wind up spending the summer with his eccentric mother on her ranch out west. As Jane lives through it all—developing a crush on a ranch hand, reevaluating her relationship with Ned, watching her sister Maya's painful growing up—she sees her world, which used to be so safe and secure, shift in strange

and inconvenient ways.
