The Dhammapada is the most revered sacred text in the Buddhist world. Attributed to the Buddha himself, the inspirational verses that comprise it convey the fundamental Buddhist teachings with great power and simplicity, and with an appeal that extends far beyond Buddhism. As a scholar, meditator, and Dharma teacher, Gil Fronsdal offers a depth of appreciation and reverence for the text that is informed by both academic rigor and the sincerity born from years of spiritual practice.

The revered Buddhist teacher and author of *When Things Fall Apart* presents the lojong teachings and the ways in which they can enrich our lives. Welcome compassion and fearlessness as your guide, and you'll live wisely and effectively in good times and bad. But that's easier said than done. In *The Compassion Book*, Pema Chödrön introduces a powerful, transformative method to nurture these qualities using a practice called lojong, which has been a primary focus of her teachings and personal practice for many years. For centuries, Tibetan Buddhists have relied on these teachings to awaken the deep goodness that lies within us. The lojong teachings include fifty-nine pithy slogans for daily contemplation, such as "Always maintain only a joyful mind," "Don't be swayed by external circumstances," "Don't try to be the fastest," and "Be grateful to everyone." This book presents each of these slogans and includes Pema's clear, succinct guidance on how to understand them—and how they can enrich our lives. It also features a forty-five-minute downloadable audio program entitled "Opening the Heart," in which Pema offers in-depth instruction on tonglen meditation, a powerful practice that anyone can undertake to awaken compassion for oneself and others.

This is a beautiful, gift book edition (with a ribbon marker) of a modern-day classic. *Start Where You Are* is an indispensable handbook for cultivating fearlessness and awakening a compassionate heart. With insight and humor, Pema Chödrön, author of *The Wisdom of No Escape* and *When Things Fall Apart*, presents down-to-earth guidance on how to make friends with ourselves and develop genuine compassion toward others. The author shows how we can "start where we are" by embracing rather than denying the painful aspects of our lives. Pema Chödrön frames her teachings on compassion around fifty-nine traditional Tibetan Buddhist maxims, or slogans, such as: • "Always apply a joyful state of mind" • "Don't seek others' pain as the limbs of your own happiness" • "Always meditate on whatever provokes resentment" Working with these slogans and through the practice of meditation, *Start Where You Are* shows how we can all develop the courage to work with our own inner pain and discover joy, well-being, and confidence.

Buddhahood, says Dzigar Kongtrül, is nothing but an unobstructed experience of the nature of mind, boundlessly spacious and limitlessly compassionate. The trick is that in order to see the mind accurately, we must use the particular aspect of mind he calls natural intelligence. Natural intelligence enables us to discriminate between what helps or hinders us. But most of all, it's the part of us that searches for happiness and meaning. In *Light Comes Through*, he shows us how to skillfully use our wish for happiness as a tool in awakening to the joyous wisdom of mind.

Featuring a new foreword by Pema Chödrön, this Tibetan Buddhist classic explores the meaning of freedom and how we can attain it through meditation Freedom is generally thought of as the ability to achieve goals and satisfy desires. But what are the sources of these goals and

desires? If they arise from ignorance, habitual patterns, and negative emotions, is the freedom to pursue these goals true freedom—or is it just a myth? In *The Myth of Freedom and the Way of Meditation*, Chögyam Trungpa explores the true meaning of freedom, showing us how our attitudes, preconceptions, and even our spiritual practices can become chains that bind us to repetitive patterns of frustration and despair. He also explains how meditation can bring into focus the causes of frustration, and how these negative forces can aid us in advancing toward true freedom. Trungpa's unique ability to express the essence of Buddhist teachings in the language and imagery of contemporary American culture makes this book one of the best, most accessible sources of the Buddhist doctrine ever written.

profound, his book bears reading many times."—Peter Conradi, author of *Iris Murdoch: A Life and Going Buddhist* Strengthening, calming, and stabilizing the mind is the essential first step in accomplishing nearly any goal. Growing up American with a Tibetan twist, Sakyong Mipham talks to Westerners as no one can: in idiomatic English with stories and wisdom from American culture and the great Buddhist teachers. *Turning the Mind Into an Ally* makes it possible for anyone to achieve peace and clarity in their lives. Trembling and quivering is the mind, Difficult to guard and hard to restrain. The person of wisdom sets it straight, As a fletcher does an arrow. The Dhammapada introduced the actual utterances of the Buddha nearly twenty-five hundred years ago, when the master teacher emerged from his long silence to illuminate for his followers the substance of humankind's deepest and most abiding concerns. The nature of the self, the value of relationships, the importance of moment-to-moment awareness, the destructiveness of anger, the suffering that attends attachment, the ambiguity of the earth's beauty, the inevitability of aging, the certainty of death—these dilemmas preoccupy us today as they did centuries ago. No other spiritual texts speak about them more clearly and profoundly than does the Dhammapada. In this elegant new translation, Sanskrit scholar Glenn Wallis has exclusively referred to and quoted from the canonical suttas—the presumed earliest discourses of the Buddha—to bring us the heartwood of Buddhism, words as compelling today as when the Buddha first spoke them. On violence: All tremble before violence./ All fear death./ Having done the same yourself,/ you should neither harm nor kill. On ignorance: An uninstructed person/ ages like an ox,/ his bulk increases,/ his insight does not. On skillfulness: A person is not skilled/ just because he talks a lot./ Peaceful, friendly, secure—/ that one is called “skilled.” In 423 verses gathered by subject into chapters, the editor offers us a distillation of core Buddhist teachings that constitutes a prescription for enlightened living, even in the twenty-first century. He also includes a brilliantly informative guide to the verses—a chapter-by-chapter explication that greatly enhances our understanding of them. The text, at every turn, points to practical applications that lead to freedom from fear and suffering, toward the human state of spiritual virtuosity known as awakening. Glenn Wallis's translation is an inspired successor to earlier versions of the suttas. Even those readers who are well acquainted with the Dhammapada will be enriched by this fresh encounter with a classic text.

Best-selling author and spiritual teacher Pema Chödrön shares life-changing practices for living with wisdom, confidence, and integrity amidst confusing situations and uncertain times. We live in difficult times. Life so often seems like a turbulent river threatening to drown us and destroy our world. Why, then, shouldn't we cling to the certainty of the comfortable—to our deep-seated habits and familiar ways? Because, Pema Chödrön teaches, that kind of fear-based clinging keeps us from the infinitely more powerful experience of being fully alive. The teachings she presents here—known as the “Three Commitments”—provide a treasure trove of wisdom for learning to step right into the unknown, to completely and fearlessly embrace the groundlessness of being human. When we do, we begin to see not only how much better it feels to live an openhearted life, but we find that we begin to naturally and more effectively reach out to help and heal all those around us.

This compact collection of Taoism's greatest masterpieces introduces its most fundamental teachings and reveals the essential spirit of Tao. From the time of its earliest sages in prehistoric China, Taoism has looked to the underlying Way of all things (the

Tao) as a guide to thoughts and actions. For the Taoists, the patterns of nature revealed the answers to their deepest spiritual questions and provided the inspiration for their unique teachings. Over the centuries, Taoism has blossomed into a profound tradition with a variety of forms--all united by a single, core philosophy of radical simplicity and natural living. Today, Taoism is most widely known through the Tao-te Ching, yet its corpus of literature is vast--ranging from philosophical dialogues and essays to astonishing fables, legends, proverbs, and more. This volume includes: Tao-te Ching: The foundational source of Taoist thought by the legendary Lao Tzu Chuang-tzu: Philosophical dialogues from one of Taoism's most famous sages Huai-nan-tzu: Teachings from the time of the Han dynasty on affairs of state, natural science, and Taoist psychology Wen-tzu: Records of further sayings by Lao Tzu on the art of living Tales of Inner Meaning: Fables, stories, and jokes from the Lieh-tzu and others on the subtleties of Taoist philosophy Sayings of Ancestor Lu: Teachings from Lu Yen, a seminal figure in the founding of the Complete Reality school of Taoism and master synthesizer of China's classic spiritual traditions

An introductory guide to cultivating patience and opening your heart to difficult circumstances from leading Buddhist teacher, Dzigar Kongtrul Rinpoche. In the Buddhist tradition, "patience" is our mind's ability to work positively with anything that bothers us—a vast spectrum of particulars that all boil down to not getting what we want or getting what we don't want. In fluid, accessible language, Dzigar Kongtrul expands on teachings by the ancient sage Shantideva that contain numerous powerful and surprising methods for preventing our minds from becoming consumed by what bothers us—especially in anger. The result of practicing patience is a state of mind where we can feel at home in every situation and be fully available to love and care for others. Patience is the lifeblood of a peaceful heart.

Many of us, without even realizing it, are dominated by fear. We might be aware of some of our fears—perhaps we are afraid of public speaking, of financial hardship, or of losing a loved one. Chögyam Trungpa shows us that most of us suffer from a far more pervasive fearfulness: fear of ourselves. We feel ashamed and embarrassed to look at our feelings or acknowledge our styles of thinking and acting; we don't want to face the reality of our moment-to-moment experience. It is this fear that keeps us trapped in cycles of suffering, despair, and distress. Chögyam Trungpa offers us a vision of

moving beyond fear to discover the innate bravery, trust, and delight in life that lies at the core of our being. Drawing on the Shambhala Buddhist teachings, he explains how we can each become a spiritual warrior: a person who faces each moment of life with openness and fearlessness. "The ultimate definition of bravery is not being afraid of who you are," writes Chögyam Trungpa. In this book he offers the insights and strategies to claim victory over fear.

A treasury of wisdom from the influential Christian contemplative, political activist, social visionary, and literary figure. Thomas Merton (1915–1968) was spiritual parent to a generation—and his influence, through his many books, has only increased in the half-century since his death. He was a hermit who maintained a compelling correspondence with some of the most influential thinkers of his age; he was a social and political activist whose ideas had a seminal influence in the world beyond his monastic cloister; and he was a Christian who saw through the boundaries of religious identity in a way that was truly ahead of his time. This collection of short excerpts from his voluminous writings covers all of the famous Trappist monk's main themes, thus serving as a perfect short introduction to his work in his own words. This book is part of the Shambhala Pocket Library series. The Shambhala Pocket Library is a collection of short, portable teachings from notable figures across religious traditions and classic texts. The first volume of this landmark series presents the teachings of the hinayana. The hinayana introduces core Buddhist teachings on the nature of mind, the practice of meditation, the reality of suffering, and the possibility of liberation. It examines the nature of suffering, impermanence, and egolessness, with an emphasis on personal development through meditative discipline and study. The formal entry into the hinayana and the Buddhist path altogether is the refuge vow, in which a student goes for refuge to the Buddha, or the teacher; the dharma, or the teachings; and the sangha, or the community. The hinayana path is based on training in mindfulness and awareness, cultivating virtue, and cutting grasping. Topics covered in detail in this volume include the four noble truths, karma, the four foundations of mindfulness, meditation practice, the refuge vows, the three jewels, the five skandhas, the five precepts, twofold egolessness, and more.
