In this riveting, "gory, and action-packed" (Jonathan Maberry) survival thriller, set in the expansive world of Robert Kirkman's The Walking Dead series, three people from different walks of life in China must join forces against the typhoon of undead as chaos sweeps over Asia. In the aftermath of the zombie virus outbreak, what remains of the Chinese government has estimated that one billion walkers (called jiangshi) are currently roaming through the country. Across this dramatic landscape, large groups of survivors have clustered together for safety in villages and towns that have been built vertically as a means of protection against the unceasing wave of jiangshi. Before this devastation, Zhu was one of the millions of poor farmers who left their rural roots for the promise of consistent employment in one of China's booming factory towns. Elena was an American teaching English in China while on a gap year before beginning law school. Hengyen was a grizzled military officer of some renown, and a passionate believer in his nation's ability to surmount any obstacle. But with the settlement's 3,000 mouths to feed and the scavengers having to travel further and further in search of food, Zhu ends up at his home village, where he is shocked to find survivors. Does he force them to join the settlement or keep their existence a secret? Meanwhile, Hengyen is tasked with the impossible: fortifying the Beacon against a 100,000-strong "typhoon" of walkers heading their way. Even though he realizes that the Beacon hardly stands a chance, Hengyen is a believer and will stand with his compatriots to the very last, bringing him into conflict with Zhu, who intends to flee the path of the typhoon and make for the safety of China's dramatic mountain ranges before it's too late. Given "two decaying thumbs up," (Jonathan Maberry, author of Rot & Ruin), this book is sure to get your heart racing and leave you wanting more!

The Walking Dead Compendium is here! Since 2003, Robert Kirkman's The Walking Dead has been redefining the survival horror genre with its unique and vivid account of life after the end of the world. Although the cast is diverse and often changing (including, of course, a great number of zombies), at the heart of every tale is Rick Grimes: former police officer, husband, father, and de facto leader of a ragtag band of survivors looking to make a future for themselves in a world that no longer has one. To call The Walking Dead a zombie tale is accurate to a point, but it touches on only one facet of a story that asks timeless questions about what it means to live. It also asks whether or not this is possible in a world full of the dead. This is a great opportunity to experience this gripping read for the first time or catch up on the tale with the first four years worth of material, collected in one volume for the first time. The first eight volumes of this fan-favorite series collected into one massive collection. This volume collects THE WALKING DEAD #1-48.

It's here: the second massive paperback collection of the greatest superhero comic in the universe! Witness Invincible's transition from new kid on the block to established superhero! Collects Invincible #48-96.

113 pages! Collects SUPERPATRIOT #1-4! Before they created INVINCIBLE together, ROBERT KIRKMAN and CORY WALKER collaborated on this epic miniseries featuring ERIK LARSEN's SUPERPATRIOT. Watch the aging superhero deal with some of his deadliest foes yet in this action-packed miniseries collected here for the first time.

Rick discovers that there are communities of survivors nearby, and begins to explore a larger world. Collects THE WALKING DEAD #91-96.

Read it again! It's time to revisit the historic independent series that took the entertainment world by storm 17 years ago! Follow Rick Grimes's journey again, from the very beginning, but this time in STUNNING FULL COLOR by the masterful DAVE McCAIG. This deluxe version will feature a memorable array of variant covers commemorating major character introductions and the series' most memorable twists and turns. Each issue will include a new installment of "The Cutting Room Floor," featuring ROBERT KIRKMAN's original handwritten plots along with commentary on abandoned storylines and things that may have changed along the way. This deluxe, definitive presentation of the story in full color will NOT be collected any time soon, so these single issues will be the only way to experience this.
